Attention: SMART Local 206 Members & SMACNA of San Diego Employers

April 3, 2020

SMART Local 206 & SMACNA of San Diego are committed to assisting all members during the COVID-19 outbreak. In these difficult times we'd like to remind all of our members to follow CDC guidelines for your workplace. Please know your Labor and Management leaders are working hard to make sure all precautions are taken for the safety of all members.

It is crucial that we work together to keep our job sites safe and productive for the continuity of our industry, especially now as Governor Newsom has declared us as "Essential Critical Infrastructure Workers."

In the event you find yourself or an employee with COVID-19 symptoms, please follow CDC recommendations. In addition, we ask that SMART Local 206 members notify Local 206 and their employer if COVID-19 symptoms are reported to medical personnel for a diagnosis. We ask that the information flow also from the SMACNA employers to Local 206. Communication during this time is key and essential to our industry.

Finally, we have provided the attached comprehensive [one-sheet with guidelines](#) created by the Sheet Metal Occupational Health Institute Trust (SMOHIT), the International Training Institute (ITI) and National Energy Management Institute Committee (NEMIC) for the construction industry.

Thank you,

Douglas R. Tracy
SMART Local 206
Business Manager/Financial Secretary

Linda M. Jennings
SMACNA of San Diego
Executive Vice President
